

BELIEVE ME

Words & Music: Robert Shumy & Ian Flude/Robert Shumy

Believe me, it's hard to find a woman,
Believe me, a woman who'll be true,
Believe me, it's hard to find a real love,
I'm wondrin' could that love be you?

Believe me, I don't care 'bout money,
Believe me, my life would be through,
Believe me, I don't care 'bout nothing,
'bout nothing, if I can't have you.

I'm so thankful I met you, it's like a dream come true,
My life would be empty without you,
Believe me, I don't care 'bout nothing,
'bout nothing, if I can't have you.
