

# HAVE A DRINK ON SATURDAY NIGHT!

Words: Robert Shumy & Ian Flude  
Music: Robert Shumy

Have a drink!  
Have a drink!  
Have a drink on Saturday night.  
Have a drink, have a drink, have a drink, alright.  
Have a drink on Saturday night!

Last night I was drinkin',  
The music was loud,  
In beer I was sinkin'  
Without any doubt,  
My eyes were red, I was loosing my brain,  
Next Saturday I'll be drinkin' again.

A bottle of whiskey,  
The barrels were full,  
I was drinkin' so much,  
Like a crazy fool,  
wild, wild whiskey burning my brain,  
Next Saturday I'll be drinkin' again.

One cup of coffee,  
One cup of tea,  
Is OK for grandma,  
But no good for me.  
Apple, Cherry and Orange Juice,  
Unless they're with Vodka, they ain't no use.

Alcohol,  
The devil's delight,  
Can't get enough  
Of getting' so tight,  
It ain't no kids game, only for men.  
Next Saturday I'll be drinkin' again!
