

# HONEY I LOVE YOU, ALWAYS

Words: Robert Shumy & Ian Flude

Music: Robert Shumy

Arrangement: Karl Ratzer

Honey I love you, always,  
Baby I love you, more than I can say,  
I know you love me too, always,  
I'll be lovin' you.

Honey I love you, every single day,  
baby I love you, more than I can say,  
I know you love me too, always,  
I'll be lovin' you.

I can't find the words, to say that I love you,  
I can't find the way, where I'm goin' to,  
But I've found a place, a place for you and me,  
And that place is in my heart and it's just for you.

Honey I'll be here, always,  
Baby you can be sure, I'll never go away.  
And even if you leave, always,  
I'll be lovin' you.
