

# SINCE THE TIME

Words & Music: Robert Shumy/Robert Shumy

Since the time that you been mine,  
You are always on my mind,  
Since the time you came into view,  
Since the time,  
I've been in love with you.

Since the time, that you be there,  
Time's runnin' fast, I don't care,  
Since the time, that you been mine,  
Since the time,  
Oh baby, I love you.

In the morning,  
In the evening,  
In the afternoon, or late at night.  
Since the time, that you be there,  
Time's runnin' fast, I don't care,

Since the time that you been mine,  
You are always on my mind,  
Since the time you came into view,  
Since the time,  
I've been in love with you.
