

TAKE ME BACK BABY

Words & Music: Robert Shumy
Dauer: 3:40

Take me back baby, give your love to me.
Take me back baby, your love I want to be.
Take me back baby, try me one more time.
Take me back baby, you are always on my mind.

She's first class and fancy free.
She's high society.
She's blood, flesh and bone.
No tucks, no silicone.
I'll try to explain.
She's got the best of everything.

Take me back baby, back in your sweet home.
Take me back baby, I don't want to be alone.
Take me back baby, try me one more time.
Take me back baby, you are always on my mind.

She's like a summer sky.
Believe me, I don't lie.
She's like fire, she's like ice.
I do not realize.
I'll try to explain.
She's got the best of everything.

Take me back baby, give your love to me.
Take me back baby, your love I want to be.
Take me back baby, try me one more time.
Take me back baby, you are always on my mind.

Take me back baby, give your love to me.
Take me back baby, your love I want to be.
Take me back baby, try me one more time.
Take me back baby, you are always on my mind.
